Dear Member,

We've updated your VISA Debit Card. What's new? For added security, the CU has removed your member account number off the card. **For Accounts with Joint Owners**, we will be issuing a separate card #. Why? If and when a card is lost/stolen, the CU can isolate and block the affected card and will no longer have to disrupt all cardholders.

Reminder: If your debit card is used for automatic payments, you will need to contact the companies and provide your new card information as soon as possible. Failure to do so may result in cancellation of services. Please take a moment to contact the companies to avoid any interruptions.

If you have any questions regarding this notice, please feel free to contact me, Cynthia Romero at (909) 889-0838 Ext. 227.
